

Midsummer/Jersey Cast List

Thank you so much to everyone who auditioned!

We had a great time seeing what you brought at auditions and are super proud of all of you. Determining a cast was difficult and we hope that if you received a role you weren't expecting you will embrace it fully, and if you weren't cast in these productions you will consider tech and audition again in the future! Just because there wasn't a perfect role for you in these shows doesn't mean there won't be the perfect role for you in the future!

I will have scripts available after school on Wednesday 3/11, our first read-through will be Thursday 3/12 at 2:45 in the dance room!
